The tandem got stuck on Elk Lake Road and had to be towed. The pellet boiler at the garage is now working. The problem seemed to be a fuse.

There was another incident at the landfill where the stairs to the platform were damaged.

The County had its End of Year Meeting this morning and will hold its Organizational Meeting at 2:00 PM, January 7, 2019, when a new Chairman and Vice-Chairman will be elected and the new Supervisor from the Town of North Hudson will be sworn in.

**Resolution #85 of 2018**

Resolved that the Supervisor is hereby authorized to sign the agreement for the Control of Snow and Ice on County Roads with Essex County. The Town will be paid the same as in the past, \$5,435.19 per mile over 21.64 miles of County Roads, a total of \$117,617.51 to be paid in three (3) installments of \$39,205.84 in March, June and September.

National Grid has responded to our request for the cost of converting street lighting to LED. The proposed estimate price is \$27,479.00. They also offer a conversion cost which would be \$8, 289.63. There is an estimated incentive of \$3,455.00. NYSERDA and NYPA may also be able to help with this. The offer remains open for 180 days. If we are interested Mr. Moore recommended that the Board contact Nancy Berstein at ANCA for additional information and assistance.

The most recent incident at the landfill (the steps to the platform were damaged by person or persons unknown), raises the issue again of whether or not we install a security monitoring system, additional signage, do away with the container for mattresses etc. and whether or not to require some sort of id for those using the landfill so that the attendant can readily see proof of residency. Maybe what is needed is to develop a landfill policy/regulation that covers all these considerations. After some discussion no firm decision was made.

Denny Linser of 3260 US Route 9, has an apartment size stove available to anyone who can use it. He can be reached at 518-746-3501.

The Board then audited the books of the Supervisor's Office, Court, Town Clerk and Tax Collector.

Robert Dobie moved and was seconded by Marshall Gero to approve the audited vouchers for payment. All voted "Aye".

Marshall Gero stated that the Judge's Financial Report was not yet correct.
